*"Turning Back the Hands of Time"*  
*Nostalgia Clocks by*  
*Terri Meyer*

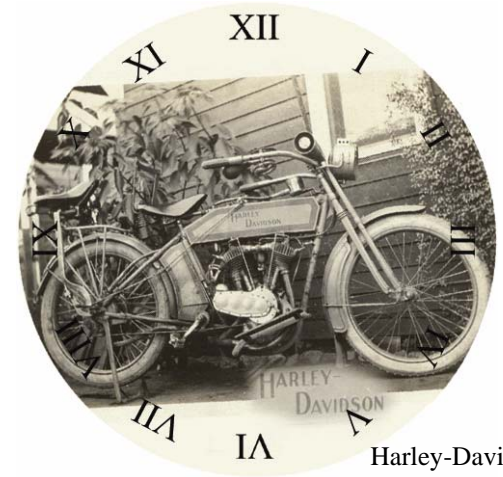

Artist Terri Meyer recreates history from turn of the century postcards, her own paintings, and antique photographs collected from various auctions and antique stores. Notes written on the back side of the cards describe moments of personal information, postmarks validate the time frame of the postcards or photographs. Quartz movement; battery not included. Clocks are available in four sizes, 12, 16, 24, and 36 inches. Custom designs available for an additional design fee.
